Formed by Hammer

FIFTY-SEVENTH YEAR. VOL. LVII, No. 157 EDMONTON, ALBERTA—TUESDAY, JULY 13, 1937 57 Single Copy, Five Cents

Former Mayor Urges Caution

W. T. HENRY, former mayor and ex-senator, who urged caution in making large expenditures on the city power plant in its present location.

POWER PLANT LOCATION VITAL TO EDMONTON

Care Urged By W. T. Henry Before Spending Huge Sum

That before Edmonton starts expending one million dollars or more on the present power plant the whole situation should be canvassed with a view to finding out if the present plant is located in the right spot for a city utility, stated W. T. Henry, prominent business man, ex-mayor and ex-senator, and former member of the legislature for an Edmonton seat.

"It seems to me we are rushing into this too fast," said Mr. Henry today, and before making the present plan to the extent of a million or more it would be well to survey the situation. In the first

GRAIN HARVEST IN U.S. WORTH FOUR BILLION

CHICAGO, July 12.—Market experts estimated today that the 1937 harvest of principal grains, including the first \$2,000,000,000 crop since 1929, would be worth almost \$4,000,000,000.

Timely rains in the midst of the heat wave have contributed to all-around growing conditions for grain, the farmer's greatest money crop. The market valuation of corn, and the other major grains—wheat, oats and rye—was figured at more than \$2,500,000,000.

THOUSAND MEN

WAGING WAR WITH NATURE

Vast Project Under Way In Newfoundland Is Being Rushed

NEWFOUNDLAND AIRPORT. July 12.—A group of almost 1,000 men-brown men and \$300,000 in machinery are waging a successful battle with nature here, to build a great airport outside of St. John's. The project is being rushed to complete before the winter sets in. The airport is being built on a hillside overlooking the city. The project is being rushed to complete before the winter sets in. The airport is being built on a hillside overlooking the city.

THREE TOWERS. A mile to the east, three towers are rising from another man-made break in the forest where a wireless station with the most powerful and modern equipment available will guide huge planes on their trans-oceanic flights.

FOUR RUNWAYS. Four runways, surfaced with an asphalt-like material, are being built. No. 3 runway will be 4,000 feet long, No. 2, 2,500 feet long, and the other two will be 4,500 feet long with a breadth of 600 feet.

Work has suddenly been speeded up. No. 1 runway with a strip 250 feet wide and running the entire length of the airport, is being put to receive its first plane, although the hard surface is yet to come.

The construction of work on the one runway is taken here as evidence that the airport is being built on a hillside overlooking the city.

HENRY COTTON DEFEATS SHUTE SIX AND FIVE

WALTON HEATH, England, July 12.—Henry Cotton, British open golf champion, today defeated Shute and Barr in the 72-hole match play tournament. Cotton won by a score of 18 holes to 17.

Four Sisters Share Estate Of \$61,695

OTTAWA, July 12.—The four daughters of the late J. H. Thompson, who died here June 10, will share in the estate of \$61,695, according to the will filed today for probate.

POWER PLANT LOCATION VITAL TO EDMONTON

Continued from Page One
place is the present site and suitable for the new plant. "To those of us who have lived in Edmonton for forty years the matter is presenting some misgivings."

"We can remember the danger of the city being flooded by the water actually came into the pump-house and almost wrecked the plant."

"We are not so sure that we are not all optimistic enough to believe that floods will not be a menace in the future at some time. Another article of the power situation also presented itself to Mr. Henry from whom we received this statement."

"We talk of producing cheap power from coal, which is correct," he said, "but who not moving the plant to the mouth of one of the city's rivers where it would be safe from the danger of flood menace and instead of transporting coal to the plant we could transport it from the plant at a much greater economy."

"There are many miles in and around Edmonton where this could be done and a great reduction in power costs would result while the danger of floods would be eliminated entirely."

"For the reason it seems to me it would be the part of wisdom to buy our steady insurance for the time being and to rush the future rather than to survive the new deal and make large expenditures on the plant, expenditure which might not be needed and which would only add to the amount of city property which would be in jeopardy in the event of a flood which might come along at any time."

Europe Trembling On Brink of Another Huge Conflagration

Continued from Page One

Prime Minister Neville Chamberlain speaks referring to the weakness of war which the keynote of the general opinion of the British people is. He repeated it in his speech on Monday when he referred to the narrow escape of Europe from a new world war.

Lord Pym, speaking at St. Martin-in-the-Fields on Sunday night, also stressed the gravity of the situation and expressed the opinion that it can be right under the nose of the British people.

FOR THE HOME. As the evening wore on the juvenile audience gave way to adults who crowded about admiring the colorful exhibits and decorated booths. The display is practically finished and the show is a success.

EATON EXHIBIT. Among the attractive displays of household furnishings is the display of Hudson's Bay. It is a model kitchen. This year the appliances and kitchen is done in green and red, with matching trim and cupboards.

POULTRY MASH. Advertising the Gillespie poultry mash, several pens of young chicks are on display. The display is a success.

DAIRY DISPLAYS. Cool and fresh looking with their tanks of cream and milk, the dairy displays are a success.

SUNLAND BISCUITS. One of the complete "Made in Alberta" displays was that of the Sunland Biscuits Company, which has arranged an attractive display of their 12 varieties of biscuits, including the famous "Sunland Biscuits".

FARES. We have shown cases of decorated and hand, and ending fresh and cured meats, the Galters display drew much admiration.

CINO-NIPPON RELATIONS ARE NEAR CRISIS

Continued from Page One

TREATY IS FAKE. While there is no indication that the British government is affecting the situation towards the dictator countries, the non-intervention treaty is admittedly a fake and may well collapse.

POSSIBLY FRANCE would then purchase war materials and thus partially equip General Franco's army in Spain and Germany. It may be feared that this will produce a European war in Spain, and that later on the principle will carry of fighting at a distance and finish the job nearer home.

Still another explanation of the tension between Japan and China is that Japan is moving in China. It is feared that Japan is moving in China.

THE EMBASSY stated Japan had 20,000 troops in the district where the fifth division was dispatched from Japan and the fifth division was mobilized.

MANY PLANES. The government decided to run a daily air express service between Tokyo and Tientsin, China, despite protest of the Nanking government. The service has been running three times a week.

Japanese troops, with 28 bombing planes, arrived at Tientsin port near Peking, as the Japanese army in Manchuria and Japan moved proper to back up the troops already in the Peking area. Major political parties in Tokyo announced they would support the government in its efforts to deal with the crisis.

2,000 Moors Land To Aid Insurgents. GIBRALTAR, July 12.—Arrival of 2,000 Moors volunteers on the island to aid the Spanish insurgents fighting against the Spanish government offensive west of Algeiras was reported today by reliable sources.

ALBERTA AVENUE AIRPORT CLOSING PROTESTED

BIG PROJECT PERILED BY OBJECTORS

Bill Given First and Second Reading and Sent to Committee

Bylaw authorizing the closing of Alberta Avenue between 100 and 121 streets in connection with the extension of the Edmonton airport at an estimated cost of more than \$400,000 was given first and second readings at Monday night's regular meeting of city council. The question was then referred to the bylaws committee for further consideration and third reading and final passage of the bylaw was tabled pending a report from the committee.

This decision was made on a six-minute vote of council.

Providing the city undertakes this project according to specifications set by the Dominion, the federal government will make a cash grant of \$122,000 toward the work. Total assessed value of land which the city has already acquired and will have to acquire for the development of the airport program is \$208,500. Privately-owned land on the project site is assessed at \$22,000.

SMALL OUTLAY

The cash outlay on the program this year will only be a few thousand dollars, the remainder of the scheme being carried out over a period of years. The plan includes new runways and landing strips.

The bylaw given first and second readings Monday and which closes Alberta avenue for a 12-acre stretch is necessary in order that the city can extend the existing airfield south to boundaries marked by Portage Avenue and Kingsway. Closing of this stretch will mean a division of Alberta avenue of only one-third of a mile.

PROTESTS FILED

Protests against the closing of the Avenue were filed Monday by Arthur E. Jones, 1184 100 street; E. Boulton, Seattle; Mrs. Margaret J. Clarke, and Mrs. E. C. Taylor. All property-owners whose holdings are affected by the proposed closure. The Alberta Avenue Social Credit Group and businessmen in that district also submitted a petition on the grounds the closing of the Avenue for the distance mentioned would mean a loss of trade to merchants in that district.

These protests will be taken under advisement before the bylaw is passed.

Edmonton Chamber of Commerce and the Alberta and North West Chamber of Mines submitted a resolution urging the city to enter into an agreement with the Dominion government and proceed with the development of the airport. The resolution states, in part: "This city must continue to serve and develop the north-west country and its tremendous mining possibilities; also take its part in the new route to the Yukon and the Orient, and thus make Edmonton an international port of call."

Voicing the protest of Alberta taxpayers and businessmen, T. Wells, barrister, presented a petition signed by 140 objectors.

WIDELY USED

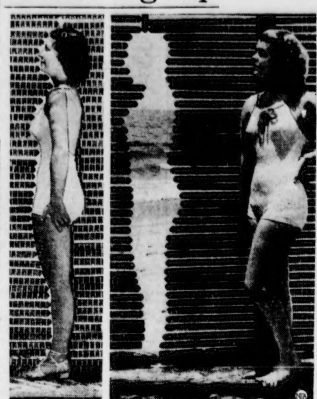

He said Alberta Avenue was the "through" avenue in the city, connecting the east and west limits in a straight line. The road was well travelled and widely used by vehicular traffic and he claimed that if the 12-block stretch were closed a considerable part of the trade now being done in the Alberta Avenue business district would be diverted down Portage Avenue in the centre of the city.

Mr. Wells explained that if motorists were required to detour along Portage and Kingsway to get back on Alberta avenue they would prefer to come straight down Portage to the centre of the city.

SCORES OPPOSITION

At his post, Mayor Joseph A. Clarke, K.C. warned that if Edmonton did not proceed at once with the development of its airport the city would lose aviation business to Prince Albert, Sask., which was trying to capture more of the

Measuring Up

Figures can't be in the novel gadget demonstrated here—the "figureometer" employed at Venice, Calif., in preliminaries of the search for beauty to be crowned by the selection of "Miss California" for the annual March Grand. trade resulting from the development of the northern mineral fields. The mayor asked "blocking tactics" adopted in an effort to prevent the proposed airport extension program.

Dr. H. S. Ensey, Alberta avenue physician, also presented the suggestion that the city acquire the district would suffer a loss of business.

He held that the airfield could be extended in an easterly direction, and that it would then be necessary to close the avenue. As an alternative, he suggested airport activities be transferred to the city's seaplane base at South Cooking Lake, obviating the necessity of acquiring new airport land in the city.

EXTEND NORTH

J. S. McCollum, president of the Edmonton Taxpayers' Protective association, supported the petition, stating the airfield could be extended in a northerly direction as there was an area of 200 acres available for this purpose in that section.

Ald. Cleveley then moved that Alberta avenue be not closed. Speaking in this motion, the councillor said it was unwise for council to rush a decision on the question. He advanced a further report in this connection before any action was taken, and that the Alberta avenue be kept open.

Ald. Macdonald moved that the bylaw authorizing the closing of Alberta avenue between 100 and 121 streets be given first reading. This motion was supported by Aldermen Macdonald, Ogilvie, Fowler, Fry, McCreath and Mayor Clarke. These opposed to this motion and voting for Ald. Cleveley's motion.

HADDOV TO REPORT

City Engineer A. W. Haddow was instructed to prepare all necessary information on the airport project for study by members of the bylaws committee.

Treaty Money Sends Business Upwards

HOBSON, Man., July 13.—Twenty thousand dollars in treaty money sent to Indians on the Peace River and Jackfish reserves in this area 110 miles north of Winnipeg caused much excitement and a pronounced business revival.

The taxi business, anything on wheels—recorded two accidents: one car collided with a sleeping horse and another ran into a huge

East Pondering \$400,000 River Project in West

North and South Saskatchewan Said to be Marked for Development

SASKATON, July 13.—A plan involving the expenditure of about \$400,000 over a period of five years, for conserving the water of the South and North Saskatchewan rivers, followed by afforestation and irrigation, is being seriously considered at the present time by eastern financial interests.

The federal government is sympathetic to plans to help the west. This information was brought to Saskatoon by P. J. Philpott of the Saskatoon branch of the Canadian Legion who has been in the east, along with C. H. Wentz of Saskatchewan and delegates from other western cities, in connection with unemployment among ex-servicemen and the work of the veterans' assistance commission.

Mr. Philpott and the delegation met in conference with government officials at Ottawa. The plan of Saskatchewan and parts of Alberta were stressed. It was pointed out that small and experimental projects of the Veterans' Assistance Commission while progressing well in large centres of the east, were entirely inadequate for the west, where opportunities for employment were poor.

Mr. Philpott said that a proposal that the time laid arrived when western Canada looked to the government for something big to do with the unemployment and cope with the drought situation, met with instant favor.

It was suggested that a condition of calaninity faced Saskatchewan and that water conservation was essential. Such water conservation would employ not only ex-servicemen but other unemployed.

LONDON TO PASS REBELS VISAS, BRITAIN HEARS

LONDON, July 13.—Havas news agency in a copyrighted story said today persons close to the Duke of Alba, General Francisco Franco's representative in London, said the British government will recognize the validity of passports issued by Spanish insurgent authorities.

These circles were described as believing such a development would be a step toward British recognition of the insurgent government as a belligerent.

Perplexity persisted in diplomatic quarters over the apparent contradiction between the attitude shown by France in a recent note he was said to have sent the London government through Portuguese authorities, and the latter official warning from Salamanca that powers which do not recognize the insurgencies will be subjected to economic reprisals by Franco.

No Photographs On British Flights

LONDON, July 13.—Notices have appeared at British airports warning air passengers not to take photographs "for any purpose prejudicial to the national interest of the state while flying over the British Isles or British territorial waters."

Ald. Macdonald moved that the bylaw authorizing the closing of Alberta avenue between 100 and 121 streets be given first reading. This motion was supported by Aldermen Macdonald, Ogilvie, Fowler, Fry, McCreath and Mayor Clarke. These opposed to this motion and voting for Ald. Cleveley's motion.

HADDOV TO REPORT

City Engineer A. W. Haddow was instructed to prepare all necessary information on the airport project for study by members of the bylaws committee.

Treaty Money Sends Business Upwards

WOMAN IS ONLY OFF WORK TWO HOURS FOR BIRTH

HOLLYWOOD, July 13.—Mrs. Esther Estes, wife of 72-year-old Dr. St. Louis Estes, was food advocate, interrupted her household routine for two hours Saturday to give birth to her 11th child, a nine-pound girl.

Mrs. Estes said her ability to resume work shortly after childbirth was due to simple health rules. "We eat only raw foods such as fruits, vegetables and nuts," she said.

Comely Woman Is Charged As Bookie

MONTREAL, July 13.—Byr Hill, a pretty, 30-year-old girl, pleaded not guilty today when she appeared in court on a charge of carrying on business as a "bookie" and will appear for trial next Monday. Her brother John, 24, entered the same plea, and will appear on the same day.

Friend Suspect Is Sent Up For Trial

LOS ANGELES, July 13.—Marilyn Dyer, 21, charged with murder charges in the slaying of Judge Thomas Ambrose at his trial for August 6.

GIRLS TRAPPED ON C.P. TRESTLE; ONE IS KILLED

TORONTO, July 13.—Trapped on a Canadian Pacific railway bridge by the Montreal flyer last night, one Toronto girl was killed and another escaped with minor injuries. Betty Louise Wells, aged seven, was killed when picked up from the

back of the Don river, where she was thrown from the trestle. The other girl, Ellen Duggan, also seven, was struck by the locomotive and tumbled forward and across the tracks, but the train was stopped within a few feet of where she lay without hitting her a second time. Curious examination revealed no serious injuries.

The children had been crossing the bridge.

The United States uses more than 18 kilowatt hours of electricity per year for every man, woman and child. Germany uses 5 and Denmark only a fraction of one.

Island Miners To Ask Conciliation

NANAIMO, B.C., July 13.—Deadlocked after a week's discussion with their employers, Vancouver Island coal miners today said they would seek establishment of a federal conciliation board to deal with the question of wages and working conditions.

The announcement came from Patrick Conroy, Calgary representative of District 18 of the United Mine Workers of America, an affiliate of the C.I.O.

BEATING THE FAVORITES RECORDS AS RACE

Pari-Mutuels Have \$32,417 Turnover For Day's Program

Small Payoffs Realized As Favorites Run True to Form; Broadway Breeze Cops Feature Race in Fifth

By JACK DEAKIN

Showing an increase of more than \$7,000 over last year in first day pari-mutuel betting, Edmontonians gave the thoroughbred a royal welcome at the Exhibition grounds track Monday and betting reached its peak, as \$32,417 were wagered during the seven race program. Last year's betting for the first day was \$26,770.

A fast track, a sunny smile from Old Sol and a seven-race program provided every enjoyment for the crowd who waged heavy "sugar" during the day's races, which are held in conjunction with the annual Edmonton Exhibition until Saturday, July 17.

Early Bird Selections

FIRST RACE—ST. LOUIS. Although rather faint-hearted, appears to have an edge here as he is possessed of a lot of early speed. Expect to see the best of the lot from MORTIMER, which is always with the early pace. DUNROD may find the five furlong race a short but he appears best of the lot.

SECOND RACE—WESTVY TIE. At his peak right now and all indications point to him as much the best here. TILLIE QUEEN showed a much improved effort last week and with the rail berth race is a danger. MISS SWARTHMORE coming to peak form and should be with the pace throughout.

THIRD RACE—Expect to see BY WITH extra breakers here. In the race he raced very well at Calgary and if he runs back to his last start should have an edge. MISS MICKOL as a good sort out if she gets away with the leaders may prove hard to beat. The faithful campaigner HOT SHOT gave indications last out of returning to form. If he does he may give a surprise.

FOURTH RACE—VISIBILITY. Last start miners did not seem to last start against similar company. Expect to see the extra weight taken to him, however, as a result must expect VALJANT JO. However, it should be a close race as DR. PILLS should be right up at the front.

FIFTH RACE—The Capital City. Putze had drawn a small but select field of sprinters. Fancy the chance of NONNE LESTER. MISS SENDER MAIL, should France race well, be a distinct favorite. RIVER, breaking from the rail must surprise.

SIXTH RACE—Should LEY. BURN run back from Monday's start he will be hard to beat. He is a peak form and race well. In French City PRICE is a good sort. He will relish the mile and a half. TEAR performed well last out and will like the longer run.

SEVENTH RACE—SUNNY. MARCUS hasn't started since April in the Whittier Park race but he is believed to be in good form. Put to catch him. TRUXY LAD is a consistent sort and should go very well in this affair. POLLY PLINY appears to have a slight edge over the others at the weight.

CONCURRENCE. First Race—Winton, Mortimer, Duff. Second Race—Bryon, Tillie Queen, Miss Swarthmore. Third Race—By With, Mike, Micks, Hot Shot. Fourth Race—Valjant Jo, Visibility. Fifth Race—Nonne Lester, Messenger Maid, Rick River. Sixth Race—Leyburn, Col Price, Volard, Lyle Philip. Seventh Race—Sunny Marcus, Truxy LAD, Polly Pliny. Take a Chance—Tearburn.

O.C. Cricket

LONDON, July 13.—The cricket season has begun in earnest in England. The first day's play was held at Lord's on Monday. The match was between the Gentlemen and the Professionals. The Gentlemen won by 10 runs.

Softball

YMCA LEAGUE. Bellevue Service—2nd 81, 2nd 100, 60-0. 3rd 100, 60-0. 4th 100, 60-0. 5th 100, 60-0. 6th 100, 60-0. 7th 100, 60-0. 8th 100, 60-0. 9th 100, 60-0. 10th 100, 60-0.

A real thriller featured the second day's play. The Bellevue Service won by 10 runs. The match was held at Lord's on Tuesday. The Gentlemen won by 10 runs.

The match was held at Lord's on Wednesday. The Gentlemen won by 10 runs. The match was held at Lord's on Thursday. The Gentlemen won by 10 runs.

The match was held at Lord's on Friday. The Gentlemen won by 10 runs. The match was held at Lord's on Saturday. The Gentlemen won by 10 runs.

The match was held at Lord's on Sunday. The Gentlemen won by 10 runs. The match was held at Lord's on Monday. The Gentlemen won by 10 runs.

The match was held at Lord's on Tuesday. The Gentlemen won by 10 runs. The match was held at Lord's on Wednesday. The Gentlemen won by 10 runs.

The match was held at Lord's on Thursday. The Gentlemen won by 10 runs. The match was held at Lord's on Friday. The Gentlemen won by 10 runs.

Dead Heat All Along

The Chubbs bred race horse is seen here in two action pictures taken during the running of one of the dead heats which finished in a dead heat. The lower picture shows the horses at the finish of the race with the South American horse on the outside. The race was run at Empire City Track in Yonkers, N.Y.

For the second time in three starts, Chubbs 2 has finished in dead heat. The Chubbs bred race horse is seen here in two action pictures taken during the running of one of the dead heats which finished in a dead heat. The lower picture shows the horses at the finish of the race with the South American horse on the outside. The race was run at Empire City Track in Yonkers, N.Y.

A highlight of suspense came in the third race when the favorite, Chubbs 2, was held up by a crowd of spectators who were trying to get a better view of the race. The horse was held up for a short time and then started again. He finished in a dead heat with the other horse.

The day's best race was the fourth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the fifth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the sixth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the seventh race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the eighth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the ninth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

The best race of the day was the tenth race, which was won by Chubbs 2. The horse was held up by a crowd of spectators who were trying to get a better view of the race. He finished in a dead heat with the other horse.

PACKERS HAND PATS DEFEAT BY BIG SCORE

Eight-Run Rally Clinches Win For Packers—Draw Closer to Top

Win For Packers—Draw Closer to Top

Next game: Friday, 8:30 at Boyle stadium. Matti Pats vs. Drake Club. An eight-run rally in the second inning clinched victory for the Packers in the Girls' Senior Baseball League last night. They trounced the league-leading Matti Pats, 14-4, forcing the Pats to absorb their second defeat in nine starts.

The Packers were at their best. They played practically errorless ball and were powerful on the offensive, while Phillips Walters twisted a brilliant game for her winning balls.

WON IN BREEZE. Phillips Walters, who wonners all the way last night. They committed two errors as against eight for the Pats. They played so well that despite the fact the Pats had an off night, Walters and her team won.

The Pats were at their best. They played practically errorless ball and were powerful on the offensive, while Phillips Walters twisted a brilliant game for her winning balls.

Starting with the first run in the first frame, Walters and her team wonners all the way last night. They committed two errors as against eight for the Pats. They played so well that despite the fact the Pats had an off night, Walters and her team won.

Edmonton Race Track Claimed One of Finest

Edmonton Race Track Claimed One of Finest

Admiring the fast race strip, its perfect banks, a board complete with every kind of racing information and perfect fencing combined with every possible accessory, Robert S. Shelley, racing secretary for all Canadian fair meets and the R. J. Rogers Corp., declared Edmonton could boast of one of the finest half mile race tracks in Canada.

Shelley, who has travelled to every track in Canada and who has interests in the beautiful Sportsman's Park, Chicago, made the above statement while officiating for the first time at the annual Edmonton Exhibition six-day meeting which opened yesterday and will continue to Saturday, July 17.

Emslie Of Toronto Makes Fine Showing In Bisley Feature

Ties With Two Others in Daily Telegraph Match, While Kier Fails in Shoot-Off For Smith Memorial Trophy

BISLEY CAMP, England, July 13.—Canada's grasp loosened on one great trophy and tightened on another as the last and most important week of the Coronation Bisley opened yesterday. Most of the great matches, notably the King's prize and the Kelpore and MacKinnon cups, are still to come.

Company Sergeant-Major George Emslie of Toronto, who has been in the select circle of King's prize finalists nine times showed yesterday he is as keen as ever by tying two Englishmen for the fine silver trophy in the Daily Telegraph match.

They will shoot off later. But Sergeant James Kier of Vancouver, who took the shoot-off for the challenge cup that goes with the Coronation Bisley trophy in the Daily Telegraph match.

They will shoot off later. But Sergeant James Kier of Vancouver, who took the shoot-off for the challenge cup that goes with the Coronation Bisley trophy in the Daily Telegraph match.

13 INSURGENT

PLANES DOWN, CRASHES, THREE PEOPLE KILLED

"Glorious Twelfth" Celebration Ends in Tragedy

At Nipawin, Sask.

Three planes were killed when an airplane, carrying passengers at a "Glorious Twelfth" celebration here, crashed about 1:30 p.m. last evening.

The killed were Earl L. Anderson, of Blue City, pilot of the plane, and two passengers, Dorothy Peterson, 17, of Regina, 30 miles north-east of Nipawin, and Archie Pomeroy, 25, of Regina.

Gliding to a landing field on a farm about half a mile out of the town, the plane went into a nose dive while 200 feet in the air. It crashed headlong into the ground and was completely wrecked.

Remains of the bodies were taken from the wreckage plane, which was described by one observer as a "heap of matchwood."

Andrew was 23 years old. He owned the plane, which was being used to attack the waves of victory when the French government produced this defense—a gas mask with ear muffs.

It's a tip and tack race that the poison gas and gas mask invention was running. Andrew was killed hardly had time to climb over their own plane, which was being used to attack the waves of victory when the French government produced this defense—a gas mask with ear muffs.

Andrew again last summer taking his course at Regina and during recent months has been barnstorming at athletic and celebration in the north-western districts of the province.

NASH SEES U.S. ON TRADE PACT AND AVIATION

WASHINGTON, July 13.—Takes which some sources said may lead to a regional trade pact between the United States and New Zealand began yesterday between Walter Nash, New Zealand's minister of finance, and Cordell Hull.

Nash said he did not expect to sign an agreement during his visit here, but expressed hope any existing barriers would be cleared away.

The New Zealand finance minister also said he would hold conferences here with officials concerned with transport and aviation questions.

Walter Nash, New Zealand's minister of finance, and Cordell Hull, U.S. Secretary of Commerce, began yesterday their discussions on trade and aviation questions.

TACTICS IRKED SWIFT WORKER INQUIRY TOLD

Strikers Were Unfair,
Packers' Employee Tells
Commission

Details tactics allegedly used by workers at the Swift Cans packing plant immediately prior to the at-strike action in April caused Alexander C. Symington, plant manager, to sever his association with the Edmonton Meat Packers and Purling Union and also to refuse to go out on strike with the other plant workers, was the testimony given Monday afternoon by Mr. Symington before the commission enquiring into causes of the strike at the plant.

Symington was called as a witness by the chairman of the commission, A. E. Ottewill, who has been assisted by Mr. C. W. Adams, industrial relations officer, and Mr. J. W. Powers.

Mr. Symington told the commission that he joined the union in January, 1936, because he thought "it would benefit the workers, and was disappointed." He said he was never in favor of the strike, and that he was not a member of the union.

Testifying that nobody told him about a strike and that the first he knew of it was from the plant manager, James Murray, plant employee and non-striker, he said he was not a member of the union, and was not in favor of the strike. He said he was asked to join the strikers but had refused, as he was satisfied with working conditions, and had nothing to complain of.

By EMPLOYEES

Leader of the strikers, Victor Thompson, told the commission the union did not authorize the strike, and that the employees, without knowledge of the union officials, had organized the strike.

Commissioned from Pace Nine various this year. New shoes were made new and new ideas were all brought into a series of high standards carrying the brilliance of the midday at night.

A large crowd would congregate in front of the city hall, and the strikers would move on to the next shop and hear the story all over again.

You don't get very far along the strike before you are right in the midst of the strike. The strikers are in the city hall, and the strikers are in the city hall, and the strikers are in the city hall.

Strutter Show

A large group of strikers are in the city hall, and the strikers are in the city hall, and the strikers are in the city hall.

French Casino

An advertisement for the French Casino, which is a new and exciting place to visit.

Tourist Traffic

Over C.N. Lines To Coast Heavy

The new-found solution of Alaska has to eat a small part of the tourist traffic from the United States.

Five Tons of Beer Waste On Highway

The "Fountain of Youth" is a new and exciting place to visit.

Axe s Stayed

Overjoyed on learning of a 60-day stay in the deportation proceedings against him, Baron Waldemar von Rotenstein-Stenman greets his wife and son at Ellis Island, N.Y. Deportation would mean death under the Nazi homeland's axe, says the baron, who once arrested Hitler during the famous Munich beer-putsch.

Grand Organizer Of Elks Lodge To Tour Peace Area

On an extended tour of inspection of lodges in the Peace River district, the Grand Organizer of the Order of Elks in Canada and Newfoundland left Edmonton on Monday.

Mr. Miquelon, whose home is in this city, only recently returned from a trip to the Maritime provinces and Newfoundland, during which he organized several new lodges in the order along the Atlantic coast.

The latest lodge to be organized in Alberta, was the Elks Lodge which Mr. Miquelon installed a few weeks ago.

Second annual rally sponsored by the Edmonton branch of the Canadian Legion will be held Friday in conjunction with the Edmonton Exhibition, Lord-Capt. E. Brown, manager of the association, announced Monday.

Featuring the rally will be a parade past the cenotaph Friday at 10 a.m., followed by a luncheon at the cenotaph at 12 noon.

AIRPORT WORK WILL BE DONE UNDER BYLAW

Passage of a bylaw will empower city council to proceed with the closing of Alberta (118) Avenue between 109 and 121 streets to make way for the planned widening of the airport.

These shorts are really made of English cotton drill... navy or cadet blue. Newly pleated at the front. Three white buttons on each side. Four slash pockets. Belt holes at the waist with belt and metal buckle. Girls and misses' sizes 8 to 28. 69c.

Children's Garments

A manufacturer's clearance of seconds, samples and odd bings. These garments are at a special price. Included are children's bloomers, overalls, suits, dresses, aprons and pyjamas. Mostly of cotton materials. Children's sizes. 17c to 47c.

Eaton Groceria

These Goods available at slightly higher delivered prices in the Service Grocery—Phone 9-1-2-4-3

Worker At Packing Plant Falls Into Ice Pit; Rescued

While thousands of Edmontonians were preparing for another day of winterizing, a worker at the Philip Glegg, incinerator at the Cannery, was taken into the freezing plant.

Trail Blazers

The "Funfair" is a side-splitter while the "Old North" brings to the present-day some of the most vivid experiences attendant upon the life of these hardy people who blazed trails in early days.

All in all the Royal Canadian Mounted Police have provided a midway far and away ahead of predecessors and from the reception accorded it on Monday, it should be a banner attraction throughout the week.

\$40,500 TRACK WORK ON 97th AUTHORIZED

Relief Bonus To Be Cut
From 20 to 10 Per Cent,
Council Decides

Relaying of rails and paving between street railway tracks on 97 street between 106 and 108A streets at a cost of \$40,500 was authorized by city council Monday night. The commission of Street Railway Staff, James Ferrier and commissioners.

Council passed a motion by Ald. A. Blunt that commissions be instructed to order the rails and paving the project this year.

Under the original plan, heads of the department would have been drawing relief to the extent of from \$40 to \$45 a week, but the additional work to the amount of 20 per cent of their total relief bill, this extra bonus being paid each week.

WORK-AT-WAGES

Considering the 20 per cent extra bonus which has been paid to the city to work off their relief, the council decided to reduce this bonus to 10 per cent and spread the work among more men.

Under the original plan, heads of the department would have been drawing relief to the extent of from \$40 to \$45 a week, but the additional work to the amount of 20 per cent of their total relief bill, this extra bonus being paid each week.

Home Improvements

Dealing with the Alberta Home Improvements Act, 1937, which empowers the city to make a three-year period improvements to the city.

1030
